### **AFFADAVIT**

The information contained in this report /affidavit is based upon my personal participation in the investigation, which included, but is not limited to information relayed to me by other agents and officers participating in the investigation.

#### **FACTS/DETAILS:**

On December 9, 2022, at approximately 10:30 a.m., a Border Patrol Agent assigned primary inspection duties at the Falfurrias, Texas United States Border Patrol checkpoint encountered a white Ford F250. The vehicle, at that time, was being operated by a subject, later identified as Jeremy Wayne Logan. Upon arriving at the primary inspection lane of the checkpoint, Logan failed to make a complete stop and continued to slowly roll until being instructed to stop. Logan failed to make eye contact with the agent during questioning. As the agent concluded the immigration inspection of Logan, the agent asked for and received consent to obtain an X-Ray of the vehicle. The agent then directed Logan to the secondary inspection area for further guidance.

Once the vehicle was in the secondary inspection area, Logan was guided through the X-Ray. It was at that point, the agent operating the X-Ray observed multiple concealed humans within the vehicle. One concealed subject was found inside of an ice chest, another underneath the truck toolbox, and two additional were discovered in the cab of the truck, and two subjects partially concealed under the backseat with their legs going through to the front seat, the same on the passenger side.

The subjects were removed and questioned regarding their citizenship. All subjects admitted to being illegally present in the United States. It was determined the subjects were citizens and nationals of El Salvador and Mexico. Logan and the four illegal alien subjects were all placed under arrest and escorted inside the checkpoint for processing.

**MIRANDA RIGHTS WARNING:** All subjects were advised of their Miranda Rights in their language of preference.

#### **PRINCIPAL STATEMENT:** LOGAN, Jeremy Wayne

LOGAN stated he resides in Mount Pleasant, Texas near the Dallas, Texas area. He further explained that sometime yesterday, he was propositioned to drive a pickup truck from Edinburg, Texas to Houston, Texas, by who he described as a friend named, "Chris." Chris, he claims had told him he would pay him \$1000 to drive the 2003 Ford F250 back to Houston, Texas. He claims he drove down to Edinburg, Texas on December 8, 2022, and stayed at the Echo Motel on Closner Blvd in Edinburg, Texas. On today's date (12/09/2022), LOGAN explained that Chris made all the arrangements for an unknown man to drop off the 2003 white Ford F250 pickup at the Echo Motel where he was located. LOGAN claims the unknown man dropped off the pickup truck and only spoke in the Spanish language. LOGAN stated that he knew there were at least three people concealed inside the Ford F250 because he visibly saw one subject's legs concealed

under the front driver seat floor mat. He claims he never spoke with the concealed subjects. LOGAN stated that he knew people were concealed in the pickup truck, and that he was to drive the pickup truck to an unknown location in Houston, Texas. He believed "Chris" would have provided a location later, and that he would also pay him the \$1000 as well.
